Efficiency hour

Efficiency Hours are designed to help physicians and APPs be more effective and efficient using Epic to take great care of their patients. The tips and tricks we review are focused on tools that are available to any physician using Epic, and the sessions are free to attend. We are currently offering **four topics focused on outpatient workflows** and **one inpatient workflow focused topic.**

Each session will be offered multiple times. Physicians/APPs attending live can earn up to 1.0 AMA PRA Category 1 credit and 0.1 CEUs from UPCEA through the University of Wisconsin. If you aren't already registered with UW-Madison, you can create your account by going to ce.icep.wisc.edu. We will send more information out about obtaining CME credits a couple days before the session.

If you're a physician builder or power user, you're still welcome to join us even if you are already an expert at efficiently using Epic... but what we really hope you can do is invite your colleagues and help them get signed up!

NOTE: All times listed below are US Central Time – THIS MAY BE DIFFERENT THAN YOUR TIME ZONE

When you click a link, it will take you to a Zoom page to register. After you register, you'll receive a link in your email **AND AN OPTION TO ADD A CALENDAR INVITE**. If you don't receive the email after you register, check your Spam folder. You can manage your registration from that link as well.

Outpatient Managing Your In Basket (1 hour)
Tuesday, January 24, 10:00 AM CST https://epicmeet.zoom.us/webinar/register/WN_v8jRam5eQcSU1x8GcravuQ
Tuesday, January 24, 5:00 PM CST https://epicmeet.zoom.us/webinar/register/WN_QxAfqBz2RfaXByhsA8NQHQ
Tuesday, January 24, 7:30 PM CST https://epicmeet.zoom.us/webinar/register/WN_8jlSsj_kTL6tiB0eTwLhKg
