

# HONORHEALTH SPECIALTY PHARMACY LIAISON

## Here to Serve You!

Benefits Investigation, Prior Authorization, Financial Assistance & MORE!

- ✔ We complete a full review of your insurance plan to understand how your prescriptions are covered
- ✔ We complete insurance Prior Authorizations, Prior Authorization Renewals before they expire, and insurance appeals if a medication is denied
- ✔ Our Financial Assistance team can enroll you in foundations, manufacturer assistance, discounts, and income driven programs if needed
- ✔ We have trained pharmacist to handle medication questions, consults, and provide 24/7 coverage
- ✔ We fill prescriptions same day if needed!

## How can I participate?

Participation is EASY and automatic!

1. Specialty prescriptions prescribed by your specialist are automatically sent to our Pharmacy Liaison
2. Specialty prescriptions sent are worked by a designated Pharmacy Liaison who specializes in Oncology
3. Once the Liaison has worked with your insurance plan the prescription is sent to your preferred pharmacy

## For more information
