

HONORHEALTH SCOTTSDALE SHEA MEDICAL CENTER CONSTRUCTION

Parking changes due to construction project

Construction has started on a new parking garage at HonorHealth Scottsdale Shea Medical Center. The new garage will be located near the main hospital entrance off of 90th Street where our visitor parking lot was previously.

The hospital and Emergency Department remain open during construction.

During construction, there are changes to parking and valet services, including:

- Valet services has moved to the southeast side of the hospital building off of 92nd Street. Signage is posted to help guide you to the new location. Valet services are free.
- Valet hours have been expanded to accommodate the increased need for services. The new hours are 7 a.m. to 8 p.m., Monday through Friday. On Saturdays and Sundays, visitors can park in any designated visitor parking lot.
- Valet services has a golf cart to assist you with getting to the main hospital in a timely and safe manner.
- Parking attendants are present around campus to help direct you to parking.
- Patient pick up and drop off will continue at the main hospital entrance for the duration of the project. After drop off, please proceed to parking on the east side of the building or valet services located on the southeast side of the hospital building.

Please note: Parking and valet in front of the Emergency Department remains unchanged.
